

Congratulations on making this commitment to yourself and your business. Together we are going to identify where you are getting in your way, and remove those blocks so that you can play bigger in your business, and your life.

I want you to get results and I want you to get them fast. I only work with action-takers who are prepared to put the effort in and I am so excited to be working with an action-taker such as you!

Outline of Our Work and Expectations

Conduct all my dealings with you in absolute dignity, respect, honesty and confidentiality

Be committed to both the spirit and the letter of any agreements made with you

Share with you all my knowledge, skills, experience and expertise where appropriate and when I deem necessary

Provide you with the necessary training materials, coaching and advice to help you identify and move through self-sabotaging patterns

To lift the bar, just when you thought you had reached it
